**More Than Friends
Presented by
Ipsos Gallery at Fresh Produce**

Sioux Falls, SD – July 18, 2014 – Ipsos Gallery will host an art reception on **Friday, August 8** at **Fresh Produce** from **6:00 p.m. to 8:00 p.m.** The event is free and open to the public. *More Than Friends* features work by Diana Behl, Cassie Marie Edwards, Josh Johnson, Kiel Mutschelknaus, and Peter Reichardt.

Over the years, Ipsos Gallery has made a lot of friends, but Diana Behl, Cassie Marie Edwards, Josh Johnson, Kiel Mutschelknaus, and Peter Reichardt are More Than Friends. These five artists have made invaluable contributions to the cultural identity of Fresh Produce and Ipsos Gallery, so it only makes sense to bring them back to the space for our ten year celebration. Fresh Produce's permanent collection of the artists' work is displayed alongside their new pieces in a show that *could be* the best night of your week. After all, we're all friends here.

This exhibition is on display at Ipsos Gallery through October 2014. Ipsos Gallery at Fresh Produce is located downtown at 400 N Main Ave. #100, Sioux Falls, SD 57104.

Photos of the artists' work are available. Email Alexis for more information.

About Ipsos Gallery:

Ipsos Gallery serves the creative culture of Fresh Produce and downtown Sioux Falls by offering a place of artistic expression and collaboration, where artists and the community can actively engage in the discussion and conceptualization of contemporary art.
